

Mountaineer 'Stage' Race

Aug 2-3, 2008

Philippi, WV

USCF Permit 2008-1246

Stage Race

This race is actually a miniseries, mimicking a stage race. However, you can race any of the races individually. This race will be a time-based general classification (GC). The lowest combined time for all three events will yield a winner for the category. Only racers starting in all three events will be in contention for the overall prizes.

[Pre-Registration is available on BikeReg.com](http://BikeReg.com)

Race day registration will be held at the start of the TT for all events, and up to 30 min before each event.

An annual USAC license is required to race M 1/2/3, and one-day licenses can be purchased for \$10 per day at the registration.

| Race | Entry |
|------------|-------|
| Stage race | \$50 |
| Time trial | \$10 |
| criterium | \$20 |
| Road Race | \$25 |

Entry to the stage race includes entry for all races.

Race will proceed rain or shine, in case of cancellation, there will be no stage race rescheduled
